

MANDURAH OBSTETRICS AND WOMEN'S HEALTH IS INVITING EXPRESSIONS OF INTEREST

WHO WE ARE

A new and **exciting obstetric and gynaecological service** in Mandurah with 4-newly refurbished rooms, 5 day a week serviced centre in a great location with competitive and affordable rental, option in partnership or be an affiliate.

We anticipate a wide and friendly GP referral base that emphasizes continuity of care with General Practitioners.

Our vision and strength is in the **recognition and respect of each specialist provider's independent style of practice**. Providing colleagues with flexible admin support services; up to date IT services and linking all our common interests in Obstetrics and Women's health.

Together we aim to provide a comprehensive service to all our patients in an integrated team relationship with General Practitioners.

WHO WE NEED

1. Another Full time or Part Time Doctor with an interest in **ANTENATAL CARE** and **OPERATIVE OBSTETRICS**.
2. Another doctor or service with special interests in, **FERTILITY AND FAMILY PLANNING**
3. An in house **OFFICE GYNAECOLOGY** service
4. Counsellor's / **PSYCHOLOGIST**
5. **PHYSIOTHERAPIST**
6. Other **ALLIED HEALTH** services with an interest in Women's Health such as **DIABETES EDUCATOR** To join in or co-locate with an existing GP obstetric and visiting specialist gynaecology service.

WHAT WE PROVIDE

1. A highly efficient, professional, friendly; **reception service** who will welcome and organize GP referred or self-referring patients to your flexible days of service.
2. **IT and Accounts/Billing support** to either maintain your full business independence or form part of the existing network.
3. **Availability of Midwife and RN**
4. A **Specialist/Special Interest oriented** service that compliments all General Practices in the area with no alignment with any one General Practice.
5. **Computer and Broadband access**
6. Two new **U/S Systems** with mounted Monitors
7. Great location diagonally opposite the Mandurah Train Station, facing Mandurah Road traffic at the corner of Murdoch drive, a short 5-minute drive to from Peel Health Campus.
8. **Ample parking available.**
9. **Advertisement** on the Centre frontage directly facing the Mandurah Road traffic and on the official website.
10. **Professional Networking** with reputable pharmaceutical companies with a special interest in **education** and local meetings with GPs for those interested in Women's Health and education.

If you have an interest in Obstetrics, Gynaecology and aspects of Women's Health why not come and enquire about joining our innovative, friendly and dynamic team either on an affiliate basis or on a co-located basis.
